Meditations
Self-Balancing based on your
personal Ba Zi

Chinese Astrology (Four Pillars/Eight Characters, more commonly know as the Ba Zi) is one of the oldest systems of astrology, and has been an integral part of Chinese Medicine and Culture for thousands of years.

During this workshop, you will learn how this system works, how it can provide insights into your emotional disposition, physical strengths and weaknesses and many more aspects of yourself. You will also learn valuable tools for self-healing.

A wide array of topics will be taught pertaining to the Five Phase System as related to the Four Pillars/Eight Characters chart. You will also have hands-on calligraphy instruction and practice in the 22 Branch & Stem Chinese Characters by Master Calligrapher Lorelei Chang who will be assisting Mark for the weekend.

Included with your paid workshop registration will be your own personal chart prepared for you by Mark R. Reinhart. Have your birth year, month, day and time (within two hours) ready when you register.
